Sir,

Referring to P.W.477 I have the honour to request that a cablegram may be sent to India asking for a cabled reply to my letter of 26th February 1918.

It is a year since I accepted the terms of the draft concession which had to receive the approval of the Government of India, and I am anxious not to lose another cold season for preparing the estimates for the Power scheme.

This work which will occupy at least 6 months cannot be put in hand till the Concession has been finally approved, and I hope that in these circumstances, and, having regard to the present conditions of the postal service with India, there will be no objection to granting my request.

I have etc.
